

#### **FRIEND OF LABOUR AWARD**

**Mr Willie Cheng Jue Hiang, 56**

The former managing director of Accenture now oversees NTUC FairPrice Co-operative's accounting and internal auditing. He had a hand in setting up the NTUC FairPrice Foundation in 2008.

"One of the movements taking hold in the social sector around the world is the concept of social enterprises – businesses with a social mission. FairPrice exemplifies that. Its core social mission is to ensure that daily necessities are affordable to Singaporeans."
