

## **Analyst**

### **Ancora Capital**

#### **Company Background:**

Ancora Capital is a leading private equity firm focused on Indonesia. We invest primarily in growth companies in the middle market segment across the natural resources and consumer/consumer-facing industries. We identify companies that will be leaders in their sectors and help them achieve their objectives through active partnership with the entrepreneurs and management. We are typically lead investors and have significant representation on the boards of the portfolio companies.

#### **Job Description:**

Analysts at Ancora Capital are an essential part of the investment team. As an analyst, you will be involved in the full life cycle of transactions, including idea development, deal sourcing, market research, financial modeling, structuring, negotiation, documentation, closing, monitoring, and monetization. You will also have the opportunity to work with our portfolio companies on strategic and operational projects. We have a cohesive team and are committed to professional development and a meritocratic, collegial work environment.

#### **Qualifications:**

- Bachelor's degree from a leading university in an analytically rigorous discipline, such as economics, finance, engineering, computer science, math or the hard sciences
- GPA of > 3.5/4.0
- Proficiency in financial analysis and accounting as acquired through course work and/or prior job experience
- Excellent work ethic complemented by a curious mind and a commercial bent
- Excellent written and verbal communication skills; fluency in Bahasa Indonesia
- Attention to detail
- Team player

**Location:** Jakarta, Indonesia

#### **To apply:**

Please send a cover letter and resume (include GPA and standardized test scores) to [hrd@ancora.sg](mailto:hrd@ancora.sg). We will only consider candidates from the graduating class of 2010 or later. Only shortlisted candidates will be contacted. Principals only, no headhunters, please.
